

November 2, 2009

Dear Sir or Madam,

We are bringing the sport of tennis to underprivileged children. We want to offer you a great opportunity to support a worthy cause, as well as, expose your business to thousands of people.

Each year Selva Marina Country Club hosts the **Jacksonville Clay Court Championship**, an adult tennis tournament featuring hundreds of players from all around the southeast. This tournament, now in its fifth year, is considered one of the premiere adult U.S. Tennis Association tournaments in the state of Florida. As such this event is advertised at over 30 Clubs and tennis facilities, is covered by local media and has become prominent on the internet. Sponsors for this event have their company's information spread throughout the country, state and our local community.

The **2010 Jacksonville Clay Court Championship** will take place March 19-21, 2010. Proceeds will go towards the **Playing for LOVE Fund**. This local beach area program will benefit many underprivileged kids by providing after-school programs with instructors and mentors working together to inspire kids about tennis and their own future endeavors.

We invite you to sponsor our tournament for 2010. This will provide excellent exposure for your business and assist the **Playing for LOVE Fund** to instill independence, goal setting and sportsmanship into future generations. There are multiple levels of sponsorship to fit your particular business. Please join us.

We thank you,

Ron Lague
Co-Director of Tennis
Selva Marina Country Club

REB Phillips
Co-Director of Tennis
Selva Marina Country Club
